

EDISTO ISLAND YACHT CLUB

ESTABLISHED 1987

The 2026 Commodore's Ball was an absolute blast!

The Club looked fantastic thanks to the dedicated group who went above & beyond to make the evening so special! From organizing and setting up, to decorating and tearing down, their efforts truly made the night shine!

The Band was fabulous and the crowd danced all night long except for when they were at the Photo Booth creating memories to take home that will last a lifetime and beyond!

with your name, event you would like to attend, # of people in your party or your question.

Tax News for Boat Owners

Good news from Columbia!!!

“In South Carolina, boat owners can expect significant tax relief due to recent legislation. The current boat property tax rate is among the highest in the nation, currently at 10.5%, but it will be reduced to 6% over the next few years. This change is part of a bill that simplifies tax processes by consolidating boat and motor taxes into a single bill and eliminates separate registration fees for outboard motors. The bill has already passed the House and is now awaiting the governor's signature, which is expected soon.”

Free Fish Barotrauma Reduction Device

Any of us that have done any nearshore or offshore fishing have struggled getting undersized or out of season fish back down when releasing them. In an effort to reduce catch and release barotrauma, Return ‘em Right offers free (yes FREE) release devices. Previously we had used venting needles that honestly were marginally effective. The Return ‘em Right device brings the fish back down and harmlessly releases the fish at a depth that the fisherman elects.

To get your free Return ‘em Right device go to Returnemright.org, take a quick online course, and they will ship one to you, free. If you were to buy one, they are sold for about \$100. I have a couple of them so if you want to see one, I'd be glad to show you.

Charleston Yacht Club Visit Saturday April 25

Charleston Yacht Club is cruising down for a visit with us on Saturday, April 25. We will be hosting them in time for Saturday hot dogs. The Saturday activities will be hanging out and mingling with our members on the dock with an afternoon tour (“Booze Cruise”) of our local waters, followed by supper in the club. It looks like about 30 CHYC members will be coming down on 6 boats including 2, 40 footers that will be docking overnight on our slips with the rest of their boats rafting up to them. Yes, this means the end outer slips (#5&6) will be tied up that weekend. This is a great opportunity to show CHYC some of our “EIYC Hospitality”. The current plan is that CHYC will host us for an October cruise.

“The pessimist complains about the wind; the optimist expects it to change; the realist adjusts the sails.” - Wiliam Arthur War

Meet the EIYC Board Spotlight Board Member of the Month

Dan Harrell: Building & Grounds

Dan Harrell has been a valued member of the Edisto Island Yacht Club since early 2024 and is excited to serve as a Board Member and Chairperson of the Building and Grounds Committee.

Dan and his wife, Lisa, made the move to Edisto in 2013 after spending many years in the Atlanta, Georgia area. Shortly after relocating, Dan retired following a successful career as a self-employed commercial general contractor.

These days, Dan stays active by volunteering with the Edisto Lions Club and FRESpace, tackling projects in the yard, and enjoying time outdoors walking—or giving golf cart rides to—their golden retriever, Bleu.

Still, he'll tell you his favorite job is working on Lisa's "to-do" list!

It is important for us to have updated phone numbers, physical addresses and email addresses for all of our members!

Email us to update your Contact Information TODAY!

If you are not receiving our emails, please ensure we have your most current email address on file **and** check your email account folders.

Several email service providers are now using folders that automatically group incoming mail into categories. Be sure to check folders titled: Spam, Junk Mail, Clutter, Updates & Promotions to see if The Club's communications are being put into those locations.

You can also go to the search bar & type in:

charlie@edistoislandyachtclub.com to search for the most recent emails from The Club.

1999 is the code for the restroom & ice room

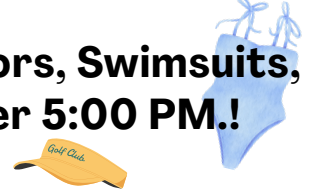

Remember donations toward the ice machine are accepted!
