The Columbia Yacht club was actually on a decommissioned ship.

Recently Coker and Cathy Price visited the Chicago Yacht Club and the Columbia Yacht Club.

Don't forget to take advantage of the reciprocal yacht club privileges available to you! As you plan your travels, look up yacht clubs in the areas you visit. You'll find welcoming communities, excellent facilities, and the chance to connect with fellow boating enthusiasts. Enjoy the benefits and make your voyages even more memorable.

JULY 4TH

The Town of Edisto Beach will be sponsoring fireworks this year. They will be at 9 PM out on the creek. Join us for one of the best viewing places, The Sunset Deck!

The Galley Crew of EYIC is excited to share our strategic vision for culinary success in 2024. We strive to provide the freshest possible local ingredients, with an emphasis on seafood and locally grown organic produce. We are proud to partner with local organic farmers and fishermen, including Rooting Down Farms, Bennett's Point Seafood, Cherry Point Seafood, Limehouse Produce, and US Foods, who consistently provide high-quality foods at reasonable prices.

We invite you to enjoy the local flavors and nutritious bounty of these locally sourced items. It's a great time of year to be an eater, as the ocean and garden are producing top-quality items for you and your family to enjoy.

Bon Appétit!

PARKING

Summer is here and the parking lot proves that the club is the place to be! We love having our members and their guest visit the club. Please make sure you are considerate to our boaters and don't block the boat ramp. Also - carpooling is **great!**
